

Emergency Water Barrel Sale

Fall Pre-Order: September 19th – October 15th

One of the most essential items in your emergency preparedness kit is potable water! Keeping enough drinking and hygiene water on hand for your family during an emergency is one of the most important things you need to do, and should be the first item you add to your emergency preparedness kit. FEMA recommends that you store at least one gallon per person, per day.

Consider storing at least a two-week supply of water for each member of your family (14 gallons/person) plus more for your pets. If you are unable to store this quantity, just store as much as you can. For more information on water storage and emergency prep please visit www.richmondptapdx.com and click on Emergency Preparedness.

Richmond PTA Emergency Preparedness Committee is excited to offer for sale pre-used, rinsed, BPA-free, food-grade 55-gallon emergency water storage barrels to bolster our community preparedness. Note: you must pre-order as we will NOT have any for sale on the day of the delivery. Barrel pre-orders will be open September 19th – October 15th. **You must be able to pick up your barrel on Saturday October 20th at Richmond Elementary School between 1pm and 4pm.** Unfortunately, we don't have the ability to store barrels for pick up on a later date.

Barrels are available online at the Richmond PTA Store at <https://mkt.com/richmond-pta> [Preferred] or paper order forms may be returned with payment (cash or check made out to: Richmond PTA) and placed in the red PTA Mailbox or mailed to Richmond PTA, 2276 SE 41st Ave, Portland, OR 97214 All orders must be received and paid for on or before October 15th.
