

Emergency Water Barrel Sale Sept 15 – Oct 15

Richmond PTA is excited to offer pre-used, rinsed, BPA-free, food-grade 55-gallon emergency water storage barrels.

One of the most essential items in your emergency preparedness kit will be water! Keeping enough drinking and hygiene water for your family during this time is one of the most important things you will need to do, and should be the first item you add to your kit. And if you have the storage space, purchasing and maintaining multiple water barrels will be helpful for people in your community that have no access to water. To learn more about how to store water for an emergency please visit: <http://www.richmondptapdx.com/category/emergency-preparedness/>

Barrel orders will be taken from Sept 15th – Oct 15th. Pick up October 28th at Richmond during the Harvest Festival or choose home delivery in Portland for an additional \$5 per barrel. Orders maybe returned with payment (cash or check made out to Richmond PTA) and placed in the red PTA Mailbox or mailed to Richmond PTA, 2276 SE 41st Ave, Portland, OR 97214 before October 15th. Also available online at the Richmond PTA Store at <https://mkt.com/richmond-pta>.

*Proceeds from the sale will support the Emergency Preparedness Committee and other PTA activities. Proceeds from the delivery will support 5th Grade Japanese Trip Fundraising.
